

June Klasse

Secretary

June Klasse has been part of Garage Dance Ensemble since its earliest days. She first walked through the doors to attend the adult fitness classes, where she discovered not only a love for dance but also a deep sense of community. That initial connection grew into a lasting commitment to the organisation and its mission.

Today, June serves as a member of the Board of Directors and Company Secretary, playing an important role in ensuring that the organisation operates efficiently and effectively. She is passionate about Garage Dance Ensemble's vision of creating opportunities for children and young people from the Namaqualand community to develop into professional dancers and artists. June believes that every person deserves the opportunity to move, grow and shine, and she is proud to support a company that transforms lives through the performing arts.

Beyond her work with Garage Dance Ensemble, June is a respected community leader and an accomplished property professional. Over the past 18 years, she has built a reputation for integrity, professionalism, unwavering discipline and trusted service in the residential, rental and commercial property sectors. Holding a Diploma in Property, she serves as a senior property practitioner with one of the region's leading real estate franchise groups, where her expertise and commitment to excellence have earned the confidence of clients and colleagues alike.

June brings to the Board a wealth of organisational, administrative and governance experience, together with a genuine passion for community development and youth empowerment.
